Why INDEE OIL ???

Let your hair do all the talking. Everyone knows that having a full of healthy, shiny, beautiful hair is your ticket to making heads turn. Nothing complements a person's appearance more than hair, its essential to take care of hair to get styled in the hottest fashion. But how can you make a good impression when more often you're having a bad hair day? INDEE OIL will help your bad hair days bye-bye permanently.

INDEE oil revives youthfulness and volume of hair through intensively researched formula enriched with Bhringamalakadi Taila, Nili, Yashtimadhu and other herbs. Exotic precious blend of INDEE oil herbs adds a natural volume to dull & dry hair with helps to revitalizing hair follicles.

Bhringamlakadi Tailam mentioned in ancient scriptures of Ayurveda from thousands of years. Indee oil taking ancient advantage in modern era to revive the natural hair care. Natural Vitamin-E of sesame oil is rich source of nutrients to prevent hair damage & support natural hair growth. Brahmi & Jatamansi help to develop natural tranquilizing effects & calmness. Nimba is useful to arrest dandruff while Heena, Mustaka & Yashtimadhu revitalize scalp & promotes natural hair growth.
